

**Full Length Regency Cresting Shown**

**Partial Cresting Shown**

**PRE-ASSEMBLY**

← Tabs are factory welded on front and back of crestring panels. They simply slide around the next piece to secure crestings to each other.

Note: The number of tabs per crestring varies depending on crestring style and height. There are usually one or two tabs per crestring.

**ASSEMBLED**

← Holes shown are for appropriate mounting brackets. Flat roof and standard angle roof brackets are included at no extra charge.

**CAUTION:**

Work on top of a roof requires extreme caution. If you are not qualified to do this installation, we recommend that you consult a professional builder.
